

NATIVE REPTILE AND AMPHIBIAN CAPTIVE PROPAGATION PERMIT RENEWAL NOTICE

November 2002

2003 Native Reptile and Amphibian Captive Propagation Permit Information

Your current permit will expire December 31, 2002.
Please **allow two to four weeks** for processing the
renewal of your permit.

Enclosed are the following:

- 2003 Native Reptile and Amphibian Captive Propagation Permit Application (FG391b). This application will become your permit when validated and returned to you by the Department.
- Distribution Record (FG391c).
- Propagation Record (FG391d).
- Acquisition Record (FG391e).
- Wild Caught Record (FG391f).
- Return Envelope.
- Credit Card Authorization Form.

Important!

Section 43(h), Title 14, of the California Code of Regulations requires propagation, distribution, acquisition and wild-caught records or a signed statement be submitted to the Department **on or before December 31 of each year**.

SPECIAL NOTE: If you did not distribute, propagate, acquire, or wild catch native reptiles or amphibians during 2002, **you are still required to submit all records or a signed statement indicating zero.**

If you are not renewing your permit, because you are no longer doing activity which requires the permit, **you are still required to submit final records or a signed statement on or before December 31, 2002.**

Recording Wild-Caught Information

Effective January 1, 2003, no longer place wild caught information on the Acquisition Record (FG391e). Please use the enclosed Wild Caught Record (FG391f) to record wild caught captures, dispositions, and deaths. The Wild Caught Record was developed to help the Department obtain more information about wild-caught specimens of reptile and amphibian.

Check List for Renewing Your Native Reptile and Amphibian Captive Propagation Permit

Please read the instructions on the application before completing. **Incomplete** reports and/or applications will be returned and may **delay** the issuance of your permit. Mail **ALL COPIES** of the application and reports. Please remember to:

- ☐ Review the preprinted information carefully, line through incorrect information, add corrections, and provide information required to complete the application.
- ☐ Complete, sign, and date the 2003 Native Reptile and Amphibian Captive Propagation Application (FG391b).
- ☐ Complete, sign, and date the Distribution Record (FG391c), Propagation Record (FG391d), and Acquisition Record (FG391e), or provide a signed statement that no species and/or subspecies of native reptiles or amphibians were purchased, received, sold, delivered, caught, or possessed during 2002.
- ☐ Submit a cashier's check, money order, or personal or business check. If paying by credit card, complete, sign, and date the credit card authorization form.

Remember

Please identify the species by the common **and** scientific names used in Section 43, Title 14, of the California Code of Regulations when completing the application and records. This section is posted on the Department's web page at www.dfg.ca.gov/licensing/specialpermits/specialpermits.html.
